Federal Election Commission
Washington, DC 20463

Dear Rebecca,

The amendment for our Pre-General report (10/01/10 - 10/13/10) has been filed.

The issues resolved were the following:

1. Schedule A -- There was question about an excessive contribution. This was resolved on our Post General Report. Mr. Reese was sent a refund of \$2,450.00 on our Post General Report to resolve his excessive contrubution for the 2010 General Election.
2. Column B Figures -- This was a carryover error from previous reports. These reports have all been amended and the Column B figures should now be in balance.
3. Joint Fundraising Receipts -- The Memorandum Schedule is now attached as a MEMO on the Joint Fundraiser Distribution. The contributions are now itemized.

This should resolve all issues from our request for additional information on 11/30/2010. If not, please feel free to follow up with me via telephone at 309-752-9500.

Sincerely,

Mitch Heckenkamp
